

4.1.2.

The college has facilities of cultural activities, sports, games, gymnasium etc for holistic development of the students.

- A spacious Auditorium with a well decorated Stage equipped with modern sound system amplifier, mixer, JBL speakers, cordless microphone etc. with provisions of lighting is available with around 500 seating capacity for the students to organize and participate in co-curricular, recreational and cultural activities.
- Facilities of indoor games viz. carom board, chess, badminton, volley ball are available for the students.
- Outdoor games like complete cricket set, football etc are available for the students for practice and participation in different competitions.
- As the college does not have own cricket and football court, so students are playing and practicing in the nearby Ulubari High School field and also in Nehru Stadium Playground by taking permission from the authority. Annual Sports outdoor competitions are also held in the playground of Nehru Stadium and nearby Ulubari School field.
- Open front space of the college is used to organise ethnic festivals, cultural activities on different occasions. This space is also used for taekwondo, judo self-defence training purposes for the girls' students.
- Yoga classes and workshops are held in the big classroom
- A fully equipped gymnasium with the facilities of Multi-gym, electronic treadmill, cycle, dumbbells etc is available for the students and staff.
