9. Pen-tab

A pen tablet is a computer input device that enables a user to hand-draw images, animations and graphics, with a special pen-like stylus, similar to the way a person draws images with a pencil and paper.

10. Google Classroom

Google Classroom is a free web service, which facilitates the creation of a virtual classroom. The teachers structure their course contents and upload course material/resources in the form of text, PDF, YouTube videos and presentations on their respective Google Classrooms. Teachers make announcements, track their students' performance and conduct quizzes and tests with this application. It is accessible via desktops/laptops and Android/iOS mobile applications.
