**4.1.1. The Institution has adequate infrastructure and physical facilities for teaching-learning. viz., classrooms, laboratories, computing equipment etc.**

The campus of Sreenivas Basudev Deorah (S. B. Deorah) college is situated in the middle of Guwahati city with well-connecting transportation facilities. The college campus comprises three buildings, i.e., **the Administrative Building, the Auditorium-cum-Arts Block, the Library-cum New Academic Block,** and the **Science Block cum Women's Hostel**. The construction of the library-cum New Academic Block is still in progress.

The administration section comprises viz. **the principal's office, the Vice-principal's cabin, 3 office rooms, a strong room, an IDOL study room, an N.S.S. office, and an IQAC office.** Separate cubical chambers are made available for each department (**total of 16**) with well-equipped items of furniture. In addition to cubical department chambers, a common Teachers' Room is also available for seating all teachers together for various meetings and events with independent toilet facilities for male and female teachers. The college has an office for the student union body. The college has **25 spacious** and well-furnished, classrooms with black/green boards. Out of these **6 classrooms are ICT enabled.** Ten dedicated well-equipped laboratory facilities are available for newly sanctioned Bachelor of Science courses in Physics, Chemistry, Zoology, and Botany departments. The laboratories can also be used for department-specific classes and tutorials. Two computational laboratories are designated to the Department of Computer Science and Mathematics. The labs have adequate numbers of computers (37) equipped with learning resources and internet connectivity. The college also has **Advanced facilities** viz. **Horizontal and Vertical Gel Electrophoresis, Gel Doc system, Microplate Reader, and UV-visible spectroscopy** for laboratory and research work. For open and distance learning, the college has opened a study centre of Krishna Kanta Handiqui State Open University (KKHSOU) where interested students can enroll in BA programme and faculty are engaged to conduct classes on Sundays. An office room for KKHSOU Centre has been allotted on the second floor of the Arts Block and classes are held every Sunday in the classrooms of the college. The college has a **25-KW solar power plant** and electricity generated from the Solar plant installed on the rooftop of the college administrative building is being adjusted from the total consumption of power in the bill. A silent generator is also available for use at the time of load shading. The Central library of the college has equipped with the necessary IT facilities, and automation, that provides access to a digital library, e-resources, and online learning resources.

The library has 11 computers out of which 6 are made available for students' e-learning facility. The library also has separate reading spaces for students and faculties, respectively. The web link of the S.B. Deorah Library collection is being provided to the students, faculty, and academic fraternity through internet-based WebOPAC. The Institutional Repository (IR) cum Digital Library access has been made available 24 x 7 through the cloud-based DSpace Digital Library System. The college has installed a high-speed Leased Line Internet connection with 8mbps capacity and provides free Wi-Fi to the students as well as the faculties. The college has an **auditorium**

with a seating capacity of **500 persons** and with excellent light and sound system. In addition, a multipurpose hall with an interactive panel connected to a podium and an inbuilt CPU having 76 inches parallel display and air- conditioning facility is available for various conferences, seminars, and workshops. The college has a **Folklore Museum** that showcased various cultures of Assam. A girls' common room is made available for students with a toilet and free pad and pad venting facility. Two toilets are available for male students. A Girls' hostel with 30 intakes is there inside the college campus. Each floor college has a water purifier for a safe **drinking water** facility. The college has a **Canteen** that serves quality food at a subsidized price. The open space at the entrance of the college has a parking slot. A beautiful flower garden and kitchen garden are also maintained every year for the beautification of the campus. Various medicinal trees and tubs of flowers, ornamental plants, and medicinal plants are also maintained by the students and college fraternity. The college has CCTV cameras on each floor for monitoring and safety purposes.
