**4.1.2. The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.**

**Response:**

The college always encourages the students and provided all requisite facilities for the physical, spiritual, and holistic development of the students' community.

- The college has various indoor game facilities such as carom board, chess, table tennis, volleyball, basketball, and badminton for the students.
- As the college does not have a playground for outdoor games, an MoU with Arya Vidyapith College has been signed to use its playground for outdoor game activities viz. cricket, and football by the students of our college.
- Sets for cricket, football, and Volleyball are made available for students.
- All equipment for Athletics sports such as discus throw, shot put, skipping rope, etc. are available to the students.
- The college has musical instruments for various musical participation.
- The college has a well-equipped modern multi-gymnasium for the training and fitness purpose of students. The gym facility is also open to faculty.
- An auditorium with a decorated stage, lighting, and sound facility for various cultural, recreational, and co-curricular practices and performances.
- An open area is available to celebrate significant days and various co-curricular activities such as the NCC parade, self-defence training, the ethnic festival, Saraswati Puja, and the food festival organized by the college.
- Signed an MoU with Vivekananda Kendra for Yoga and meditation practices for students and faculty as well.
- Self-defence and taekwondo training programs have been organized regularly by engaging professional trainers, especially for girl students.
- The college organizes College week every year to provide a talent showcasing platform in various arenas such as literature, arts, photography, cultural (music and dance of various forms), and sports, etc. for students.
- Each department has wall magazines, to showcase the literary & creative skills of the students
