4.3.1 Institution frequently updates its IT facilities including Wi-Fi

Response

The Information Technology is one of the most powerful and fictional creation in the world of technology and hence realizing its importance the college provides the best of its facilities like computers, internet, Wi-Fi facilities, communication devices, etc. to its students, faculties, and staff members. The college has installed Jio leased line with 8mbps speed on 19/12/2020. The Wi-Fi facility is free of cost for all teachers, students and stakeholders of the College. The college premises is equipped with 6 numbers of classrooms which have been updated to ICT enabled classroom with 65 inches Android based interactive learning panel with Wi-Fi access facility. The college is also equipped with a digital class room cum seminar hall has the provision of video conferencing. All Departments have computer systems with Wi-Fi to use for academic and learning purposes. The Departments makes use of Google Classrooms, YouTube, Zoom, GMeet, etc. for lecture notes sharing and online classes and also study materials, class lectures, videos, tutorials etc. are also uploaded on the YouTube channel of the college and access of the same has been provided to the students through a single window online portal www.sbdeorahonline.in. The computer lab has 62 numbers of latest configured computers with Wi-Fi facility. The network connected computers are protected by updated version of anti-viruses and the computer hardware's and software's are replaced and updated as and when required. Moreover, the college outsourced computer technicians and service providers on basis of the need. The college library has 09 numbers of computers of which 02 server machines are available to host Library Management Software (SOUL 3.0) & Digital Library Software DSpace. In addition all the activities of the library such as maintaining records, cataloguing, accessioning, circulation, etc. have been digitalized. The college office has updated with internet facility to carry out all administrative works as well as following the initiative of Digital India online transaction through Internet Banking, Credit Card, Debit Card, UPI etc. has been introduced in the college office. Additionally, POS system is also available for cashless payment. The college also has an up to date user-friendly online admission portal embedded in the website. The attendances of the employees are collected via state-of-the art biometric scanner. Besides, the college has also adopted online mechanism to get various kinds of information and feedback from its students, teachers, alumni and parents.
