### **7.1.1. Gender sensitization Action Plan**

1. To create awareness on non-binary genders.
2. To organize awareness programmes on sexual harassment and kinds of sexual harassment at workplace and home.
3. To sensitize the students about unwelcome gaze towards male, female or third gender through talks, workshops and class discussions.
4. To organize awareness programs on cybercrime against women and its prevention.
5. To create awareness against relationship abuse, substance abuse and domestic violence.
6. To conduct film screenings to generate consciousness on crimes against women and other gender related issues.
7. To invite women achievers in different fields to deliver motivational talks.
8. To organize talks on women's reproductive health like menstrual health, cervical cancer, PCOD, infertility etc.
9. To organize workshops on self-defense and martial arts.
