8. Field trip for knowledge on research and higher studies: A total of 36 students along with two faculty members Dr. Deepanwita Deka and Mr. Somir Warisa participated in the two days field trip on 15/12/2021 and 16/12/2021 in Meghalaya. During the trip the students visited College of Post Graduate Studies in Agricultural Sciences (Central Agricultural University, Meghalaya). Different scientists including Prof. Dwipendra Thakuria interacted with the participants. The trip was collaborated with the institute to enhance the practical knowledge of our students by Laboratory visit and exposure on scope of higher studies.
