## ERP Document of the College

S. B. Deorah college bought a new ERP namely 'sbdeorahonline.in' in the year 2018 in place of the earlier ERP 'Academy DCL'. The new ERP ([www.sbdeorahonline.in](http://www.sbdeorahonline.in)) developed by M/S. S. S. Technologies pvt. Ltd, a firm based at Ulubari, Guwahati, is further customized as per the requirement of the college. All the students and teachers have their unique user id and password to access various services available in the portal. Admission of all the batches of students is done through the ERP. New admission merit lists are also generated through 'Admin' side of the portal and payment links are sent to the listed students. All the payments by the students such as admission, renewal admission, examination fees, centre fees, Hostel admission fees are done through the ERP portal using either payment gateway or through UPI mode or through POS machine. From the 'Admin' side, the college can also generate the accounts reports and students reports as and when needed. The ERP portal is designed to generate certificate for pass out students. The employees can also apply for various leaves through the portal and the Principal can approve/reject the leave applications through the portal. The teachers using their login credentials can upload study materials in the ERP system of the college for the benefit of the students. The links to the uploaded class videos/audios in the YouTube are also provided in the ERP portal. Apart from this main ERP, the college also has a Biometric attendance device to record daily attendance and leaves of the teaching and non-teaching staff.
