EVENT
ORGANISED BY
DEPARTMENT OF BOTANY
S.B.DEORAH COLLEGE

Setting up of departmental Garden, 12th October 2022.

The Departmental garden was setup, with some common medicinal plants and important plants which are commonly required for practical. All the students of the department are responsible for the maintenance of the garden and watering the plants and register will be maintained for the same. The plants are grown by reusing the plastic bottles and gallons.
