

## Programme Specific Outcome of B.A. (Assamese)

Assamese, the state language of Assam, is regarded as one of the most important subjects for the students. Students can acquire adequate knowledge about the glorious history of Assamese language, literature and culture after going through the prescribed syllabus. The New Education Policy, 2020 has given very much importance on mother tongue in the process of acquiring knowledge in educational institutions. At present, the Print media industry of Assam is also focussing on publishing various newspapers and magazines in the state language as they are getting massive response from the readers. Hence, the students, having bachelor degree in Assamese, a student will get priority in the recruitment process in these media houses also. Moreover, in the modern world, electronic media is regarded as one of the strongest mass media. In Assam also there are various news portals and satellite channels, which are using Assamese as their mode of communication or presentation. So, after the successful completion of BA degree in Assamese, students can have plentiful scope to be engaged in this field.

The programme specific outcomes for a B.A. in Assamese Honours typically aim to provide students with a comprehensive understanding of Assamese language, literature and culture.

1. **Language Proficiency:** Students will achieve advanced proficiency in reading, writing, and speaking Assamese. They will be able to communicate effectively in both formal and informal contexts.
2. **Literary Analysis:** Students will develop the ability to critically analyse and interpret Assamese literary texts, including poetry, prose, drama, and folk literature. They will have a comprehensive understanding of the history of Assamese literature.
3. **Cultural Understanding:** Students will be well-versed in Assamese culture, traditions and history and understand the socio-political contexts that influence literary and cultural production.
4. **Research Skills:** Students will be equipped with research methodologies and tools to conduct independent studies on various aspects of Assamese literature and culture.
5. **Translation Skills:** Students will acquire the skills to translate texts between Assamese and other languages, enhancing cross-cultural communication.
6. **Creative Writing:** Students will develop creative writing skills in Assamese, producing original works of fiction, poetry, and other literary forms.
7. **Linguistic Knowledge:** Students will understand the linguistic structure of the Assamese language, including phonetics, morphology, syntax, and semantics.
8. **Career Preparation:** Students will be prepared for careers in teaching, media, publishing, translation, and other fields that require strong language and literary skills.

These programme specific outcomes are designed to ensure that graduates of the B.A. in Assamese Major/Honours programme are well-rounded, knowledgeable, and capable of contributing to their fields and communities.
